

Titan Pro SCI

2011 Glyphosate Pricing Program

Titan Pro SCI has several glyphosate suppliers willing to provide product for the Fall season.

Current Pricing

\$9.00/gal	Bulk
\$9.50/gal	30's
\$10.00/gal	2 ½'s

Mega Plot Discount

\$0.50/gal off bulk only prices for attending and ordering at a mega plot (50 gallon minimum)

*Product needs to be paid for at time of order.

Current Pricing

\$8.50/gal	Bulk
------------	------

Additional \$1.00 off if you order seed.

Order 100 bags of any seed corn from Titan Pro or Stine.

OR

200 bags of soybeans from Titan Pro and receive the following prices on all your glyphosate needs.

Current Pricing With Discounts

\$8.00/gal	Bulk with qualifying seed order only
\$7.50/gal	Bulk with attending mega plot and with qualifying seed order

*If you plant Titan Pro seed and your volume does not reach the minimums for these prices, we will still honor these prices if you plant 100% Titan Pro seed.

*This program does NOT apply to branded glyphosate.

*Maximum of 1,000 gallons of glyphosate per qualifying seed order

(Prices are subject to change without notice.)

Price Protection

Between now and January 1, 2011 if Titan Pro's published price goes down, we will give customers up to \$1.00/gal of credit on account.
